

CBCGB Nursery Program

We are blessed to have a special ministry dedicated to caring for infants (0 to 24 months) so that parents may have an opportunity to participate in church activities on Sunday. Many of the coworkers are parents and all have a special heart for children so that parents may drop off their infants and be able to participate in Worship or Sunday School on Sunday.

The following are a few guidelines to make each child's time with us as smooth as possible.

First Time: The first drop off for either new parents or first time visitors can be very difficult. To help us know your child better, we will ask you to fill out a simple information card that can be kept in your child's bag at all times.

What to Bring: Please include the following in your diaper bag for your child's needs.

- diapers
- bottle/cup with instructions (i.e., need to heat, need to mix formula etc.)
- change of clothes
- snacks (animal crackers and cheerios are provided, but if your child has allergies to these items, please provide a snack for them)

Drop Off: You may drop off children starting at 9:15a. Please check in with a nursery volunteer. Your child will be given a number to label their belongings and a cubby to store their things. Please leave a cell phone number so you can be reached in an emergency.

Pick Up: Please pick up your child by 12:30p. Please check that you have all your belongings. Most volunteers are parents themselves and need to pick up their own children so your time consideration is appreciated.

All parents are welcome to visit for a session to become more familiar with our ministry. Involvement gives each parent an opportunity to be better informed.

Thank you for helping us to make this a positive experience for our children.

God Bless!

The Nursery Ministry
